

# Nate Dooley

First year Computing and Information Technology student

natedooley.com  
github.com/natedooley  
**nate@natedooley.com**

## EDUCATION

### **Rochester Institute of Technology, Rochester, New York** — *Computing and Information Technologies B.S.*

August 2017 - PRESENT

Concentration: Networking and System Administration

## EXPERIENCE

### **The Presentation Source, Rochester, NY**

JAN 2018 - PRESENT

Perform installations of audio and video equipment for clients, maintain website and internal networks, ensure equipment is working correctly

### **Calvary Chapel Long Hollow, Goodlettsville, TN**

2015 - 2017

Performed numerous technical tasks and assisted with church operations. Built computers, optimized networks, performed technical support and computer repair, set up sound and light equipment, operated camera and sound equipment, and operated live streaming programs.

## PROJECTS

### **Goddard the Robot** — <https://github.com/goddard-bot>

A robot with a simulated personality, you interact with him via a web interface and he may or may not do what you want. I built the robot and wrote the Arduino code, including wireless communication functions.
